

## Dealer Advanced Replacement Policy and Authorization Form

Dealers must speak to a Scallop Imaging technician to determine if there is a problem.

An Advanced Replacement Form must be signed by the dealer and kept on file.

A valid credit card must be on file. Scallop Imaging reserves the right to charge said credit card and upon return of defective merchandise credit the amount charged (less expedited freight charges authorized by Dealer). Scallop Imaging will ship Two (2) Day service to the address specified by the Dealer. Defective equipment must be returned within Thirty (30) days to insure proper credit.

Return Merchandise Authorization numbers (RMA's) must be issued for all returns. All advanced replacements will be billed at published MSRP pricing.
